ad laudandum potestate assignans cum potestatiuis ibi presertim nomen eius primum respicit auctorem in terminus primum ad opus exterius. Secundo ergo sicut dixi laudate et debetis vere replico laudate dominum deuote quia bonus dominus bonum verum et ipse est. Unde nemo bonus nisi solus deus bonus est non in nobis tantum. Ideo bonus est dominus comparatiue in se et presertim quia incitat ad laudandum potestatem. Ubi primo incitat secundo vero a laudacione ibi quia suauis. Tertio laudacionem electionem ibi quia iacob. Dicat ergo sic laudate deuote et presertim psallite aut deuoto ore psallite eius devote appellacione quia est tangere quod aut non tantum non agit nomen eius quod est ipsius. Unde in psalmo xxxiii cantate ei et psallite ei in exultacione. Unum est quia suaue est quod suauiter oleo effusum nomen tuum. Unde iste melos est in aure mel in ore iubilus in corde. Alia causa est quia suauis est super dominus et deus quia gratiam est super laudare in eius quia suauis est dominus. Sequitur quia iacob elegit sibi dominus, quia vero in quo tangitur primo laudatorum electionem secundo laudationis finem ibi israel. Dicit ergo psallite nomini eius quia suaue est et quia dominus elegit iacob sibi ad laudem illius ipsum inducitur malachias i. Iacob dilexi esau odio habui. Iste quidem est quod iacob elegit sibi in hereditatem ut ex collegiis regibus et custodibus sicut a aquis hereditatem suam. Ysaias xliv. Audi nunc iacob et israel quem elegi. Iste deum [illegible] per fidem videntes. Iacob simul cum operante et bona supplantare elegit dominus ad hereditatem acceptare iacob. Ysaias nomen patris elegit dominus in quo modo dominus in fide et hereditate regum quod sequitur quia ego cognovi

Quia ego cognovi quod

superius assignauit laudis diuinam vero multiplicem hic subdit rationem ex parte excellencie ubi primo asserit probacio se nouisse diuinam magnitudinem secundo probacio per opera docet et explanat illa ubi diuina quecumque supra. Tertio causa primo dei magnitudinem secundo magnitudinis proeminencia ibi et deus noster. Dicit ergo sicut incito ad laudandum dominum nec possum tacere quia ego verbis ad diuinam contemplandam cognoui noticiam certi ~~ibi primo asserit secundo se nouisse d magnitudinem. Ex per opera docet et~~ explanat quod magnus est dominus non molem sed virtute. Ecclesiastici xliii. Terribilis dominus et magnus vehementer et deus noster pre omnibus diis est magnus quia regnum magnificencia eius dominus deus quia non est similis tibi sequitur omnia quecumque voluit quod probat et docet diuinam magnitudinem et primo in generali secundo in speciali tangens quedam specialia eius opera ibi educens nubes. Supra vero primo tangit diuinam specialiter operum secundo locorum in quibus operatur ibi in celo. Unde generaliter operum quia omnia fecit. Secundo operandi modum quia quecumque voluit. Dicit ergo sicut magnus est dominus pre omnibus quia probat omnia quecumque voluit deus fecit. Job xxiii. Anima eius quocumque voluit hoc fecit et voluntas quecumque voluit hoc fecit in celo id est in natura superiori et inferiori et in terra id est in natura inferiori corporali in mari et in omnibus abyssis sed superius in natura media. Ecclesiastici xxiiii. Tu fecisti celum et terram et omnem ornatum eorum terram et abyssum quae in ea sunt et maria et omnia que in eis sunt. Quod est quam ydolatras quos proponunt vindicat in quo psalmo sequitur educens nubes. Hic tangit diuina specialia et primo vero que sunt sicut admirabilia tamen mouent secundo que admirabilia ipsa sunt ibi qui percussit. Sed tamen admirabilia sunt duplicia quedam tamen meteorologica sicut nubes quedam tantum ad omnes populos tantum meteorologica sicut omnis et tamen aut sunt ad vitam operis aut sicut sepulchra

Dicit ergo sic: psallite deo qui operit celum, id est facit scripture veritatem, id est que latet deo tegi in celo nubibus, id est similitudinibus et figuris sacramentalibus. ~~Psalmus~~ Induit celos tenebris. ~~Job xxxvi~~ In manibus suis abscondit lucem et precepit illi ut rursus adveniat. ~~Apocalypsis x~~ de libro signato. Dicit ergo sic: sed oportunitatem preparavit et convenienter ipse est qui producit in montibus, id est in magnis huius mundi et divitibus fenum et herbam et habundanciam temporalium et succedentium. ~~Proverbiorum xxvii~~ apparuerunt herbe virentes et collecta sunt fena de montibus. Et hoc in sumentum hominum, id est ut divites serviant in istis predicatoribus qui debent esse homines, id est sapientes et mansueti ut in pluribus.
